Overnight pet sitting in your home, where your pets get all the attention they deserve.

When you have to be away, your pets will be more comfortable in their home environment. Sabrina will stay overnight in your home, providing lots of attention and affection along with food, water, and other necessities. She will bring in mail and water your plants at no additional charge. Your pets will enjoy being in their own environment, and you'll have peace of mind. Sabrina will come to your home and meet your pets prior to pet sitting.

Sabrina volunteered for many years with Basset Hound Rescue of Southern California. She was a foster mom to more than 15 rescued dogs. She and her Basset Hound Calhoun participated in the Orange County SPCA pet therapy program; with her Golden Retriever Hailey, she volunteered with Vitas hospice program.

Sabrina has lived in Orange County for over 30 years. She has pet sitters liability insurance through her membership in Pet Sitters International. She is trained in pet first-aid and CPR.

Rates: \$50 for any portion of the day. Cash or checks should be made out to Sabrina Nicholls.
